On annual leave until January 5th. Will look at this then.

As you know, worked 80 hours in five and one half days before Christmas to meet the Dec 22 deadline for the draft SMC Ground Water Report and all while on annual leave.

Will not do that again and no EPA business while on leave.

Hope you had a great holiday season.

Hi Mark and Brenda –

Attached are the follow-up questions from R9 regarding the GW investigation and the listing.

Rather than do full-blown presentations for the webinar, I'd like to just go over each question in order with Region 9 and use Adobe Connect for visuals as necessary. You both have provided multiple presentations and drafts, so I see no need to do so again. Your thoughts?
